One step forward!!!
2018
Strategic Lines 2017-2019

1) To facilitate family doctors’ networking:
   1) To promote tools to improve networking through internet among Wonca world members aimed at get quality and patient safety issues on the medical office’s desktop: to work out a Q+PS Dashboard.

2) To keep in contact with international institutions focused on Q+PS in primary care which send to us their up to date.

3) To collect and maintain updated Q+PS resources for family doctors in Wonca webpage.

4) Training and Education:
   1) To contact universities and public institutions which offer open source courses on Q+PS to promote the introduction of primary care issues in this area.
   2) To prepare and offer a Q+PS issues webinars and seminars for family doctors

• Workshops (Dr Bueno and Dr Astier) on Decrescription in elderly patients and the response to critical patient safety incidents concerning healthcare professionals impact (second victims).
Geneva, December 2017: technical advisory participation at MWH strategy
• Personal commitment
• Interested in quality and safety
• WONCA support

• Voluntary
• In competition with other tasks
• Quite different Primary care settings along the world
• Little involvement

- Lack of financing to participate in international conferences
- Few people involved

Strenghts

Weaknesses

Opportunities

Threats

- To be linked to Equip
- Q and PS in the political agenda
- WHO joint venture to work on MWH and with GLL on PS

Global Family Doctor. WONCA Working Party: Quality & Safety
