> My Best Moment in 2018-2019:

EQUIP WORKING GROUP ON eHEALTH

> Objectives for 2019-2020

- Collaboration and coordination with WONCA Working Party on eHealth.
- Promoting the use of IT supporting the key tasks of the GP, particularly related to:
 - Shared decision-making
 - Care of people with multiple health problems
 - Population health and equity
- Recruiting young GPs to collaborate in the working group

> Expected Results for 2019-2020

- Presence at WONCA events
- Paper on shared decision-making?
